

Team 957 Sponsorship

Yes, I want to sponsor Team, 957 SWARM Robotics.

My gift will help local students advance their knowledge and skills in science, engineering, art, math, business, and marketing, while learning life skills that will help build a productive community.

Donations are tax deductible.
Greater Albany Public School District 8J's

Albany Veterans Day Parade

Team SWARM is . . .

Albany’s competitive robotics team since 2002.

Designs, builds, & drives **a new robot every year** for the FIRST Robotics international competition.

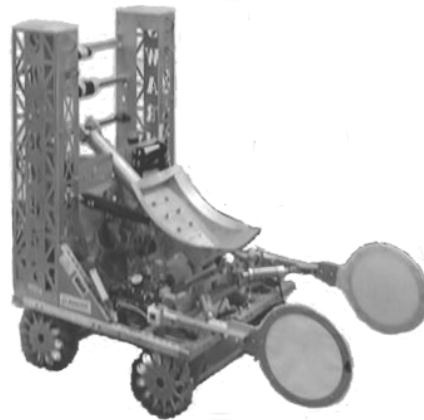

Provides **hands-on training** in Science, Technology, Engineering, Art, and Mechanics.

Made up of boys and girls from both **South and West Albany high schools.**

Open to all students regardless of grade point average or ability to pay.

All volunteer mentor staff.

Receives no money from the school district. Donations deductible via the District’s 501c3.
